GREAT NEWS – ADOPTIONS

BABOU

Babou, this gorgeous little dog has now found a loving home and can finally live inside a house for the very first time.

GOUFFY

Gouffy, this elderly dog was adopted by Phil Curtis, the Treasurer of our organisation.

DONATIONS

We donated €500 to the SPA in Brehand and they were truly grateful and they put a nice note on Social Media, which read “As you already know our association (like many others) do not take advantage of any subsidies or help from anyone. We would like to say a special Thank you for your help, moral and financial help, you, who every year make a donation, which allows us to keep the kennels clean, the dogs well fed and to be able to welcome those who no-one wants to be able to give them a better life. The ALPC has been by our side for several years and thanks to you many dogs have been adopted by British friends and again this time their financial participation is great. Thank you to Leigh and Graham for your friendly visit yesterday and for your support, animal protection owes you a lot. Thank you ALL and for your generous donations and messages of support”.

Ollie, this little puppy was found abandoned in a field by one of our members, Jenny Hanson, she took him in on a temporary basis, until a loving home could be found. Fortunately, a new home has been found and our organisation was going to make a small donation to help pay for basic veterinary costs, instead, the new owner made a donation to our organisation.

Pacha, he is Beauceron Labrador Cross who is in need of adoption. Born on 28.07.2018, he is good with children, he is a big dog already. He has basics of education and it would be great if lessons could be continued.

T-SHIRTS FOR SALE, these can be purchased for €15.99 in various sizes, from the SPA Penthievre-Mene.
